

THE DAILY APPEAL.

SATURDAY MORNING, AUGUST 26, 1857.

NOTICE TIME.

We frequently receive remittances for our paper at rates below those advertised. This is done to save postage, and the sum so saved will be deducted from us in texture. Such remittances are returned in every instance, and to avoid all trouble and hazard of loss hereafter, we desire the especial attention of all concerned to this notice.

All persons are requested not to purchase papers from our regular carriers, as they are not authorized to sell them. An observance of this request will greatly oblige the publishers.

In our advertising columns will be found the announcement of the old Eclectic Medical Institute, of Cincinnati, Ohio.

We are again placed under obligations to Atoms Express Co., through their agent, for late Eastern papers.

We ask the attention of our citizens to the advertisement of Mr. C. P. Bush, who has opened a Dispensary and Wholesale Drug Store at the business-haus of G. L. Bush, Mr. Bush has settled permanently in Memphis, and comes highly recommended, and we hope his enterprise will meet with the encouragement and success it merits.

We desire to inform the proprietors of "Bush's United Bitters" that Amherst Park, of Arkansas, from whom he obtained a certificate of the efficacy of his medicine, never was an M. C. P. Bush is a gentleman and a scholar, a poet, a soldier and a philosopher, a lawyer and a Free-mason—but Amherst Park, ye do Mr. P. Bush great wrong in giving him such a biased and unfair name. We have long belonged to the American or any other Congress; but have been most interested in it, and it is a personal favor I will do to you if it is given up. I will, and all other names will be considered for the purpose—permitted.

This medicine is a compound of artes of pharmacy, and is a safe and reliable remedy for the cure of diseases.

The progress has now in Memphis, and is making rapid strides, and we hope it will have a large amount of success.

Denis of Major Board.
